# do perfect circles exist?

They can occur naturally in planets, celestial bodies, tree rings, rain drops. Men can make perfect circles too: think of a basketball or a great pizza.

**But there is a nuance to what our eyes see as a circle.**

# we make circles

And all we care about is paying attention to that little nuance that creates **perfection.**

think strong, work better

**ceado.**

ceadolab.  
make the future

## Steady Lock Grinder

EnThis system, unique in the world, ensures in any working stress condition a constant distance between the burrs, **allowing to keep the chosen grinding consistency.**

Il sistema, unico al mondo, che assicura in ogni condizione di stress lavorativo la costante distanza fra le macine, **permettendo di conservare la granulometria impostata.**

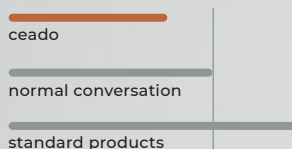

## Quick Set Gear Tech

EnNew tech materials, same Italian craft. Quick Set Gear Tech means **more precision and efficiency** in the grind consistency, in one single action.

EnNuovi materiali tecnici e manifattura italiana. Quick Set Gear Tech significa **maggiore precisione ed efficienza** nella macinatura, con un solo gesto.

## Sound level comparison

# Silent System

<sup>En</sup>Work at the bar **has never been so quiet!** The design and engineering of Ceado units work so efficiently that you will not even realize they are in operation.

<sup>It</sup>Lavorare al bar **non è mai stato così silenzioso!** Il design e l'ingegneria delle unità Ceado lavorano in maniera talmente efficiente che ti sembrerà di non averle accese.

# SweepOut

## Dual-Spin Tech

<sup>En</sup>Finally, the **Zero Retention with beans hopper.** The patented **SweepOut** system, clears the grinding chamber with every grinding cycle.

<sup>It</sup>Finalmente la **Zero Retention con Tramoggia.** Il sistema brevettato **Sweep Out**, è in grado di svuotare la camera di macinatura ad ogni uso.

## Geometry

Detailed designed and careful arrangement of the teeth of the burrs, with or without holes.

Accuratezza del disegno e della disposizione della dentatura, con o senza fori.

## Material

Hardness and duration of the material used.

Durezza e durata del materiale utilizzato

## Finish

Grade and type of finishing processes.

Grado e tipologia dei processi di finitura.

## Coating

Flow, hardness and duration of the finish.

Scorrimento, durezza e durata della finitura.

## Planarity

Efficiency and synergy of the 2 burrs during the grinding process.

Efficienza e sinergia delle 2 macine durante la macinatura.

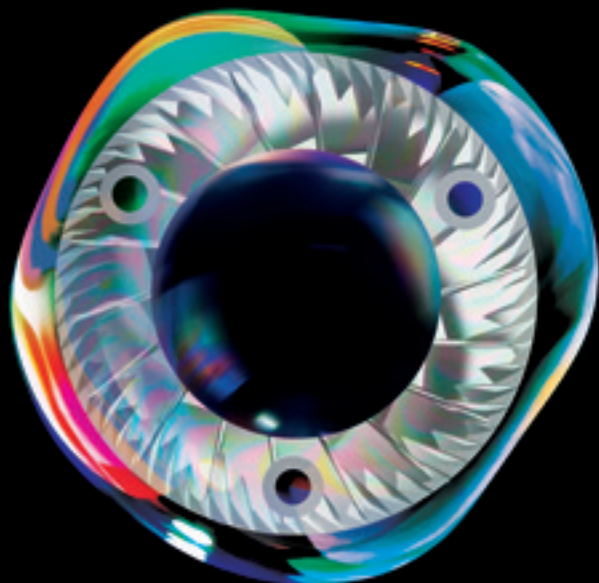

## Friction

Treatment and flow of coffee particles.

Trattamento e scorrimento delle particelle di caffè.

ceado. originals burrs

opalglide™

## Opalglide™ the cutting-edge burrs for Single Dosing

<sup>En</sup>The SD Opalglide™ burrs ensure a more refined treatment of coffee beans, minimizing friction while improving the outgoing flow. Design dedicated to Single Dosing, innovative mechanical processing, ahead of the curve nanotechnologies: **this is Opalglide™**.

<sup>It</sup>Le macine Opalglide™SD garantiscono al caffè un trattamento più raffinato, riducendo al minimo l'attrito al contatto con il macinato, migliorandone il flusso in uscita.

Design ottimizzato per il Single Dosing, lavorazioni meccaniche innovative, nanotecnologie di nuova generazione: **tutto questo in Opalglide™**.

# E37Z Barista

ON-DEMAND GRINDER

# The game changer!

En **Finally, the Zero Retention with beans hopper.**

Thanks to the patented **SweepOut** system, it clears the grinding chamber with every grinding cycle.

The specific **Ceado originals burrs** enable to grind only the beans needed for each shot, preserving freshness and integrity of the coffee while avoiding contacts with leftovers during the ensuing grinding cycles.

"**Finalmente la Zero Retention con la tramoggia.**

Grazie al sistema brevettato **SweepOut**, è in grado di svuotare la camera di macinatura ad ogni uso.

Le particolari **macine Ceado originals** permettono di rompere solo i chicchi che servono alla dose, preservando integrità e freschezza, ed evitando contaminazioni con caffè vecchio alle macinate successive.

En **The quality of a Ceado Single Dose into a professional grinder** designed for high turnover locations, specialty stores and chains.

“**La qualità di un Single Dose Ceado in un macinino professionale** pensato per locali altoventendenti, bar specialty e catene.

A barista is shown in profile, wearing glasses and a dark shirt, operating a single-dose coffee grinder. The grinder is a sleek, modern design with a black body and silver accents, mounted on a wooden base. The barista's hands are positioned to adjust the grinder. In the background, a wooden wall is visible, along with shelves holding various glassware and a stainless steel espresso machine. The lighting is warm and focused on the grinder, creating a bokeh effect in the foreground.
